

Old Settlers Park Chapel Rules

Welcome to the chapel at Old Settlers Park. We hope you enjoy your time here in this beautiful setting.

Several generations have used and helped care for our chapel. Please help the Glen Lake Woman's Club by following these guidelines:

1. The chapel is to be left in good condition.
2. The chapel is the only facility available in the park for dressing.
3. No food, beverages or alcohol in chapel.
4. No smoking in chapel.
5. No electric heaters in chapel.

Enclosed is an envelope for your contribution to the Glen Lake Woman's Club for maintenance and care of this historic building. Please enjoy your special occasion here.
